An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water. We have certificates both from the public and from eminent physicians, telling of its virtue in Dyspepsia,

Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General De-bility, Anaemia, Malar a Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation, and many showing the wonderful cures in that dreadful disease, Scro-Dr. T. L. Kabler, for fifteen years a resident at 'he Springs, says:

DR. T. L. KABLER, for litteen years a resident at the springs, says: For Scrofula, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortunate accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alterative effect, displays its highest curative powers. In all forms of discuses peculiar to females, this water will be found to exert a curative influence second to none in Verginia. I have given your Concentrated Water a fair trial, and say with pleas-

ure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. Within the past two months I have found such relief from your remedy that I have improved in strength and weight; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

REV. OSCAR LITTLETON, Presiding Elder, Lynchburg, Va. Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension, having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I can confidently and most gladly recommend your remedy for Chronic Diagrapes.

recommend your remedy for Chronic Diarrhoea. CAPT. RUFUS AMIS, Virgilina, Va. I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial

Rev. H. M. BLAIR, Editor N. C. Christian Advocate Greensboro, N. C.

I have used and prescribed waters from several Iron and Alum Springs but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alterative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to a hady, with the understanding that if did not at once improve her digestive apparatus, I would pay the \$1.00 myself. She not only willingly paid the bill, but not a part of one-half dozen more bottles, and is now completely cured of Trouble. This seems to be the case wanted
